Are you a queer man and have faced challenges in unconditionally accepting who you are? Do you want to share your feelings, thoughts, and life experiences with others and help each other grow in a small, confidential support group?

We are a group of community volunteers and are now trying to set up a bi-monthly (*twice a month) peer support group in San Jose. (*This support group will be led by trained co-facilitators.)

We are recruiting like-minded folks who are interested in joining our group! Please let us know if you are interested and would like to hear details.
