I Have a ten line script for a project I'm working on it's pretty erotic so I'm looking for a mature actress that will take it seriously. 50\$ cash for the part. I'll just send you the script and you send back the mp3 of each line after the end we can meet somewhere safe and very public for me to pay you or if you have away fir me to pay you online that's even better. Here's one of the lines if you want to use this as your audition piece. Jessica: (letting out a light deviant chuckle) that wasn't really a question... You can either send me a mp3 of you saying the above line or reading this post. I'm just looking for a particular feel and sound for this character. Thank you.
