Is that special birthday coming up? Eat at the most talked about restaurant in DC.

I have standing in line, at Little Serow and Rose's, down to a science. I can advise you, what is the best time, for me to enter the line, to get you the seating, in the time frame you desire.

My rate is \$30 hr. Most assignments will be 1.5 hrs, unless you want me to get there earlier. 1 hr minimum.

I'm background checked. You can find my reviews on Yelp. Visit me at [www. EveryoneNeedsANadine. com](http://www.EveryoneNeedsANadine.com) or on my Facebook and Yelp business pages at Everyone Needs A Nadine.
