

100 Foreign Student Looking for a room in Downtown (indianapolis)

Location

Indiana

I'm a full time foreign student. I work part time downtown and need an affordable room to rent close to downtown.

I'm clean, quiet and responsible and I expect the same. It'd be awesome if the room comes with a private bathroom and WiFi.

I'm willing to pay \$100 a week. I have a great credit score and background.

If you have any rooms available, please contact me ASAP
