

Need 2 strong nanny to move water heater to basement (baltimore)

Location

Maryland

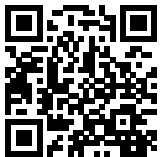

<https://www.genclassifieds.com/x-724007-z>

I already have the appliance dolley. I just need it moved from upstairs, to downstairs. It is an 80 gallon water heater. Please be strong enough to move it without damaging it. \$50 / per man. Only need to move it down one flight of stairs and through one doorway downstairs. Needs to be done tomorrow (Sunday) morning at 8:30. Leave your number and I will get in touch with.
