Hi...I Truly mean no disrespect in this...but I feel due to some...I'll say...(Negative and offensive) responses...if You feel the need to respond like that...or can't help...or don't intend to Truly help...PLEASE don't respond...this ad has been hard enough to place...but I feel necessary...after many attempts with several Government Agencies...who I've been told are supposed to help...but they won't...after much Praying about it...I felt I should try reaching out to the public...considering We are ALL God's Children...therefore Family through Our Lord...and before ending up disabled Myself...any chance I had to help someone...I took it...and now I need help from someone who may have...or may sell building supplies...and can afford to donate them...and volunteer the labor to build two ramps...not looking for something extravagant...just something that is safe and will hold up...and removable if I move...a demand from the Owner...the one outside My door needs to be two way...so I am able to go to the laundry room...or to the gate for Doctor appts...food shopping...Church...the second would be right outside the gate to be able to get My Power chair in and out the property gate...just something simple...I would not have took the chance to place My ad if I didn't TRULY need it...I am in pain 24/7...and in extreme pain due to spinal damage etc...so being forced to use My walker still is too much...and soon I won't be able to walk at all...Thank You in advance for reading My long ad...just wanted to be clear on what I need...God Bless You
