Web Services:

I have been developing with WordPress for the past 5 years and design beautiful, responsive, and functional websites with SEO in mind. These websites can ultimately be updated and maintained by the owner fairly easily. I offer WordPress Conversions and Builds starting at \$299 for a 5 page premium responsive website, \$40 an hour for Web Updates and SEO Packages guaranteeing page 1 results for your top search terms starting at \$149 a month.

Graphic Design Services:

I have been working with Illustrator and Photoshop for over a decade and have made successful branding for hundreds of businesses, I also obtained a BS in Graphic Arts and have been designing posters for local concerts and events for quite some-time. I have done work for Otterbox and Fort Collin's Brewery before.

Marketing Services:

I have a decade's worth of experience in SEO and PPC management as well as setting up marketing strategies for global brands in an Agency setting. I am a Google Analytics and Google Adwords Certified Partner and have experience managing 20+ clients in a an Agency setting.
