Hi there! I'm an out of town photographer visiting Salt Lake City for a couple weeks during the holidays. I'm looking for a few models to help me out with a bodyscaping project I currently have on the go. This is a personal project for my own portfolio and artistic development. The photos are not intended for any other use.

Looking for both female and male models. Fit/slim/athletic body types preferred. Ages between 18-40
Experience is not necessary but would be great
Full nudity will be required.
Tattoos/piercings OK but ability to cover/take out would be useful
Complete anonymity can be kept, no faces will be shown.

Shoot will take place in the Western/Downtown area. Flexible schedule available.
Relaxed 1 on 1 with female photographer.

Please respond with a few recent photos and your availability and I'll give you more details about the shoot, who I am, and what this project is about!
Thanks for looking and hope to hear from you!
