Location **Wyoming**
<https://www.genclassifieds.com/x-724321-z>

Hello!

My name is Casey. I work at CGI Communications--a company that creates videos for communities and businesses across the country. Whenever needed, we like to hire freelance photographers/videographers in the various locations we work in. We now have an upcoming shoot in Gillette, WY on 01/13/2016 at 10am and I'm looking for someone with experience to cover it for us. If you're interested, please let me know as soon as you can. We only require you to get the footage, all editing is done in-house.

You will need:

- HD Camera
- tripod (fluid head is best)
- Lav mic
- Basic light kit is a plus

We pay \$135.00 for a 2 hour shoot, 202.5 for a \$3 hour, and \$270 for a 4. Should

a shoot be scheduled for longer than that, we pay a day rate of \$350. We also pay \$0.45 per mile driven.

Fast but not need to get into reel. If you're serious, make the offer serious.

Thank you and hopefully we can talk more.
