<http://www.nationalreview.com/article/427823/paris-climate-conference-no-warming>

This is one stupid half wired half breed somebody needs to tell him the earth had not warmed 1 degree in 19 years

Better yet any body as stupid as he is ! We have remained in a global cooling spell since 1997

Meanwhile the people in American have to pay for his lies ! Someone might need to make this point to this ignorant ass ! He is a lame duck! Dumb fuck . His carbon tax in America ain't going to happen bozo ! Thanks to the republicans ! Oh by the way someone might need to tell the puppet of the Un world order there is ice in the south antartica the size of 2 states of

Alaska that was not there 2 years ! Who in the hell needs his shirt care if the the whole Workd is burning down !

Hope you burn in hell for your deceit and lies!
