Missing female blue pitbull on dec.2 at 11am on Treewood Lane midlothian va. Mia is 9 months old and weighs 40lbs. She is missing her collar and is so sweet but can be shy.her ears are cropped and her tail is undocked. She has an umbilical hernia. She is not spayed due to being in heat when we adopted her, she was to be spayed and microchipped this Friday. We have \$200 reward as of today and we are increasing as we get donations to bring home Mia. Please call me at

if you have seen!!
