

1950 Plymouth Special Deluxe (7999 USD)

Location **Montana**
<https://www.genclassifieds.com/x-724713-z>

1950 Plymouth Special Deluxe Two Door Coupe. Flathead 6 cylinder motor, 3 on the tree manual transmission with only 26,500 miles. Drives like a dream. Clean and pretty inside and out. Good body, nice paint, good chrome. Salvador blue with blue cloth interior. Runs great.

One of the first cars to be made in the post-World War II era, this car is a classic. 1950 was the last year Plymouth made this car and the Special Deluxe was the top-of-the-line model. As Plymouth said back then, "The more you know about the new Plymouth. . . the more convinced you are that not all the beauty is on the surface. You can't see them all, but you can feel them in action." This car is fun to drive with good visibility and lots of style.

This car is located in Rapid City, South Dakota.
