This is a rare, sold out, limited edition sericel entitled "Pebbles and Bamm-Bamm's Wedding". This cel measures 8.5" x 8" (framed 15"x15") and bears the Hanna-Barbera authenticity seal in the bottom right corner. Comes framed, in mint condition. Hanna-Barbera Productions, Inc., developed this Limited Edition Serigraph series in 1992 which contained hand-tailored scenes. Original master art is created by studio artists for each Limited Edition Serigraph. This Fine Art series re-creates the look and feel of the original hand-painted cels, but is produced by serigraphy, a fine art process. A hand-cut master screen is prepared, for each color from original art prepared by studio artists. The serigrapher applies each color separately, one screen at a time, in perfect registration. The result is an original work of art. The image is limited to an edition of 7000 pieces. After the edition size had been researched, the screens used in creating it were destroyed, ensuring their limited status. This fine art Cel is a great collectible for any cartoon.
