I know this is early but I am already planning for 2 months off this summer. I am taking several months off to travel the us by 36' rv. I lost my wife to cancer in 2010 at it is about time I started living again. Plan on visiting numerous national parks, but real;y have no specific agenda. Definitely Yellowstone, The Grand Tetons, and all the parks of Southern Utah, Bruce, Zion and Arches. Please tell me enough about yourself to assist the selection process. Dont care if you are male or female, but must be trustworthy. No druggies, stinky people thugs, felons allowed. Must meet in public prior to arranging trip. I am a planner and don't do things without thinking them through so I know this is kinda early but don't want a stressful ride. There obviously has to be some compatibility. I don't expect a full 50/50 split on costs but I also don't plan on being anyone's sugar daddy either.

Thanks for reading. and FYI one line replies just tend to piss me off and get deleted. Please tell me something about yourself to determine if this could.
