

Playbuzz Nashville Office Internship

Location **Tennessee**
<https://www.genclassifieds.com/x-725062-z>

Playbuzz is opening an office in the budding creative city of Nashville, Tennessee and we want YOU to come be a part of it!

APPLY USING THIS LINK ONLY: <http://www.internships.com/writing/playbuzz-nashville-office-internship-content-writing-editing>

Internships in our new office are scheduled to begin early October, and will give college students the opportunity to write playful content such as quizzes, interactive lists, polls, - as well as posting and creating viral content - and much more as a part of our groundbreaking and top-shared team! Interns will also edit and monitor community content on our platform, giving invaluable experience in working for today's web-based companies and communities! This internship is perfect for any individual looking to become a writer, editor, or even those simply looking to break into the viral-content world!

Interns who are selected will be working together directly with Playbuzz employees in an open and creative space! Students will be able to sign up for one to five days out of the work week they will be able to be in-office during work hours, so if you have a day (or multiple) where you have no classes or just a few hours worth, and want to get a head start with incredible experience working for one of the most visited and shared sites in the world - send in your application!
