

# DRUMMERBASSIST NEEDED FOR ROCK BAND (MilwaukeeTosa)

Location **Wisconsin**

This started as a solo project of just some tunes I've been working on since about 2009. I've played a few solo shows, recorded a demo called TWO ZONGZ and played out as a "power duo" with a friend a couple times. I'd like to find a permanent drummer and bassist.

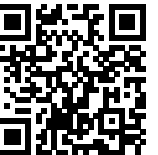

Check out some halfway decent full band recordings I wrote the music for:
