My cat Quinoa is an indoor/outdoor cat. He didn't return back home on December 3rd. He's been missing since. He is 1 year old and he's pretty big for a cat and he has a bobtail. I really really miss him so if you see him please let me know ASAP, or try to get him and hold him so I can pick him up. I live in Henrico off of Gaskins road, he was last seen on Gayton and.
