Haven of the Ozarks, a no kill sanctuary, will have pets for adoption this Saturday, December 12, at Fayetteville Petco from 11-3. Animals are spayed/neutered, current on vaccinations, are on flea/tick medication, and have a microchip. Adoption fees are less than we pay to get them ready for adoption...\$90 for dogs and \$65 for cats with discounts for pets 5 years of age and over. Animals are returned to us if placement isn't successful, so you can adopt without worrying about what to do if the pet isn't a good fit for your family. We're a no kill facility but can only bring in more strays when we make room through adoption. Come find your new best friend and help us save lives!

More information on the Haven can be found at www.thehaven.petfinder.com, www.facebook.com/havenoftheozarks, or by calling
