However, if someone has a possible vacant room available that is not too far from 80223 I might be interested (I just need to be close to work since I don't know the area well).

A little about me: I am 26 years old very together. I don't smoke or do any recreational drugs. However, I like to try and meet new people on the weekends and have a drink.

I am a little skeptical about looking for a room to rent on Craigslist due to all these scams. So, I ask that if you plan to email me and tell me I have to pay a deposit and pay for a background check, I will want to see all documentation signed by the landlord upfront. I also will want to sign a lease, whether it be month to month or 6 month.
