If you are an over-the-road trucker or own a trucking company, working with the professional freight dispatching team at Atlanta Logistics is easy and rewarding.

There are no hidden fees, no long-term commitments and no headaches.

The Atlanta Logistics dispatch experts help you get loaded and set it up for you; always with your prior approval.

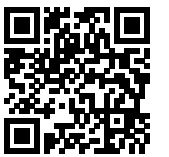

And beyond our trucking dispatch services, we can provide other important services for you while you're busy driving so you can remain focused on your work.

Stay Busy Moving Freight. . . Not looking for your next load.

GET LOADED. Generate more revenue.

We know what freight carriers need: More time hauling and less time with back-office busy work. Atlanta Logistics ensures you a streamlined back-office with consolidated billing so you can get as many loads moved as you can handle. Every minute you spend searching for loads is wasted revenue. Our simple technology and high shipping demand will keep your fleet focused on generating revenue.
