I have immediate openings for children. We incorporate the alphabet and color lessons in our art projects. I base my rate on the amount of hours you need, the time you drop off - and the time you pick up!

I have an immediate openings available in my home for daycare children. I have openings for full or part time. I am a California state licensed in-home daycare providerI am located by Hwy 85, and between 280 and 101.

I am a professional provider looking for families who want their children to receive gentleness and loving care. My guarantee to you as parents, and families, and esp. to your children, is that they will receive personal attention and love. I have an immediate openings available in my home for daycare children.

We try to take daily walks within the neighborhood, so that children can appreciate the outdoors and their natural surroundings. There is a grassy park and playground within walking distance from my home. I try to help children explore and learn with the outside environment. It is my hope that your children grow healthy and explore their surroundings.

I recently have completed CPR and First Aid with American Heart. My home has a play room for children and has space for little ones to crawl and take their first step. I provide healthy and nutritional foods for meals and snacks.

I can provide all food and milk everyday if you would like. I can supply all diapers/wipes, and for infants I can supply formula. I can daily schedule based on your child's ages. I can incorporate '4' in the morning, naps, games, meals, and evening sleeping with your child's design. I have a large group of toys, a playroom designed for children to grow educationally, academically, and provide hand/eye coordination. I have a variety of books, and toys to keep your little one busy through out the day as well as outside activities.

If you are interested in setting up an appt. or would like to ask questions, please email me and I will respond with more information.
