

Looking to help a rescue with supplies. (Stafford Springs)

I have some extra collars (chain, slip, and clip), leashes, bowls, and maybe a coat (I still have to try it on my dog) that I am looking to donate to a pet rescue.

I also have some reptile/fish tanks that I would like to go as well. Some 10 gallons and a 40 gallon breeder tank.
I will have a 20 gallon long and 29 gallon in the future as well.

Also I would like to try to volunter at the rescue. I currently have 2 dogs, 2 cats, and 5 snakes but I have had hamsters, mice, rats, and Guinea pigs in the past. I have nursed an abandoned week old kitten in the past. I currently work full time between 45-60 hours a week so I don't have a lot of time but I love animals and would love to help.

Please email me if you need any supplies or help for your rescue.

Thank you,
