

25 2x8s, and 2x6 x 15 each (25. USD)

Location **Vermont**
<https://www.genclassifieds.com/x-729874-z>

I have a pile of nice boards from a 1890s balloon frame apartment house that's being demoed. The materials are in well salvaged condition. I am looking to be completed within the next two weeks and all must go. I also have lumber that can be used as fire wood, free materials too.
 Call or stop.
