Selling a lightly used Nintendo 3DS XL console in Blue. Comes with a replacement charger since the original one was destroyed by my puppy. The console is in mint condition and doesn't have a scratch on it. I am only selling because I collect Zelda items and have a Zelda Special Edition 3DS XL - I don't need two. If you want this for a Christmas gift, I can meet you tomorrow afternoon in Burlington or in Central VT on Thursday morning. Cash only. Let me know if you have any.
