Hey there! Im a 21 year old female looking to either rent a room from someone or get an apt with someone...I'm open to ideas. I'm not to familiar with Milwaukee but i want to move wherever I'm able to walk when I go out and have fun. I'm very social once you get to know me. I work some nights but I'm trying to find someone around my age preferably someone who likes to go out and have fun like I do. I'm very clean, and I am an amazing cook....so I got that going for me. Don't really mind if it's a girl or a guy roommate, just be chill. Have any questions just email me! Thanks!
