Army Veteran Headed to Augusta GA for my teenage son to visit family on Thursday, we depart 10am from Milwaukee and arrive around after midnight, Friday on Christmas Day. Its about 15hr drive just under 900 miles. Then headed to Fayetteville NC on Christmas Day. Staying through Tuesday and headed back to Augusta to pick up son and return back to Milwaukee on Wednesday. So would be nice to have help with gas cost, friendly conversation , and spread Christmas Spirit for someones family . If you Need 1 way or round trip please email me. Also please be well groomed, not smell & no smoking in my SUV. I enjoy road trips lets jam out and have an adventure. Drove all over 10 years in Army. Im good people hope right person sees this.
