

Noisyugly music (Milwaukee)

Location **Wisconsin**
<https://www.genclassifieds.com/x-729919-z>

I'm a 27 year old guitarist looking to make some ugly sounding music. Everything from 80's punk (Dead Kennedys, Bad Brains, Black Flag), sludgy metal (eyeategod, the Melvins, Buzzoven), to Captain Beefheart, Tom Waits, weird jazz, some electronic music and just plain noise.

If this sounds like something you'd be into hit me.
