I'm an amateur photographer willing to provide you (the model) with prints (digital or hard copy) or I will email you the pictures of your choice, whichever you wish, in return for your modeling service. I am seeking to expand my portfolio and I believe you are also aiming to the same. Any size models are accepted. Don't be shy, shoot me an email or text and we can talk some more and clarify some details.

I am located within the Wilmington area.

Neither parties will receive cash payment, the only "currency" that will be exchanged will be our services to each.
