Cover band seeks new MALE or FEMALE guitar player to share lead and rhythm duties. We have gigs waiting at some of the best rooms in town and also have management interest to help keep the band moving forward. We have great instrumentation as well as one of the tightest rhythm sections you will ever find! Band consists of some of the top musical and vocal talents in Denver (lead vocals, backing vocals and KILLER harmonies, keys, bass, drums and one of the best guitar players around). We have harmonies and great chemistry with over 100 years of combined experience. We get along great with each other as we are close friends and consider ourselves family. You must be experienced and versatile with NO ego or drama. If you sing lead or backing vocals that would be a plus. YOU MUST BE PRO!!! We cover everything and anything you can think of and we are aiming to make the band the absolute best in the Denver Metro Area. We are a true variety band and do not limit ourselves to play the dive bars. We WILL get much bigger and better shows. Come join us for a great ride in 2016 and beyond. Please reply with your experience and a phone number where you can be reached. Please also provide links to your videos or demos (we would also like to have a raw recording of your singing voice - cell phone at home, karaoke or something unmixed and not processed). Responses without demos AND a phone number will NOT be considered. Auditions are now being scheduled. If you are truly not interested and/or you do not meet the above requirements, PLEASE DO NOT WASTE OUR.
