

Vestax PMC (07 USD)

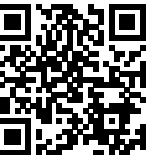

Location **Florida**
<https://www.genclassifieds.com/x-730039-z>

A high-end 2-channel mixer great for all applications, especially scratching. Features include durable PVC faders, improved sound quality, and powerful 3 band EQs. Hamster switch reverses the crossfader to suit a scratch DJ's preference. Also offers curve adjustment for crossfader and channel faders.

Unit is in overall excellent shape. Come by and test it out.
