Aurora is a 6 year old American Bulldog that is about 85 pounds. Aurora loves everyone she meets and knows how to sit, she is great with other dogs, but has yet to be tested with cats. Aurora is very food motivated which should make obedience training a cinch! If you are interested in meeting Aurora go to www.DogsbyDebin.com to fill out an adoption application! Aurora's adoption fee is \$150 and includes her spay, microchip, vaccinations, deworming, heartworm test, a discounted session with our trainer, and 30 days of free pet insurance.
