Bear is a small poodle mix that is 12-year's old weighing about 20 lbs. He has had only one owner, which had to surrender Bear because he developed severe dementia and was unable to care for Bear any longer. The family reported that he is housebroken, though he may have a few accidents while adjusting to a new schedule. They also said that Bear is very people oriented and loves snuggling and hanging out with people. Bear's adoption fee is \$200. This includes: Spay/neuter, vaccines, heartworm test, microchip, a discounted session with our trainer, a wellness exam, deworming & an offer for free pet healthcare for one month! Interested? Visit www.DogsbyDebin.com & complete our adoption application. Once you have done that, visit us during open hours. Thank you!
