I have been operating this daycare in my home, as a Licensed Family Daycare, for more than ten years. It is a small daycare. I am CPR/First Aid certified. I do my best to give the children lots of loving and caring, as this is crucial to their development. I teach the children the basic skills in numbers, colors, shapes, alphabet, and phonics. My house is in a good, quiet neighborhood. I have a safe play area in the backyard where the kids enjoy playing. Safety factors to notice: I have no pets and no swimming pool. My home and yard are a non-smoking environment. Excellent references available upon request.

Daycare time: 7:30 AM to 5:30 PM, Monday through Friday.

Location: In Santa Clara, in the area of Montague Expressway and De La Cruz Boulevard.
