This basement level unit is perfect for three roommates looking to share an oversized condominium together! Each of the three rooms are pretty equally sized and priced at \$900. That price includes gas, heat, and hot water! High ceilings, eat-in kitchen, and plenty of storage space. Great for students or young professionals who have roommates and friends they already know, and any one in between who is looking for a shared room in a multiple bedroom apartment at a dirt cheap price! And how about the location? Right in the heart of bustling and lively Coolidge Corner! And the landlord has paid half the Broker Fee already, which sweetens the deal even more. Amazing!

Call, email or text me today to schedule a showing while it lasts!!
