I am a Stay home mother of 4 school aged children myself and I'm available to watch and take good care of your children in my clean and safe home while you are at work! I have 15+ years experience taking care of children, and I am a very safety conscience person. I'm located in the Ramble Ridge Sub Division off of 114th and Fort and the 108th and Crown Point areas near the NW Omaha and Irvington Areas. I'm very close to the I-680 interstate and blocks from the Prairie Wind Elementary School.

I have 12 years of experience with children, I'm a 12 year old mother. First aid and CPR certified. I will provide nutritious breakfast, lunch and an afternoon snack. There are many activities for children, story time, singing, and other types of safe child activities. I have a fully privacy fenced in back yard with a play area. I offer a clean and safe home environment. I also have a safe trip service to and from the Prairie Wind Elementary School.
