

# Seamstress needed to alter sleeves on velvet dress (Falls Church)

Location **Washington**  
<https://www.genclassifieds.com/x-730114-z>

I know this is a long shot, but I have a dress I'd like to wear for Christmas and need the long sleeves made into cap sleeves. If you are available for a job with quick turnaround, please contact me. Velvet is tricky to sew so I need someone who can do it right. If you're reading this and it's after Christmas, I likely didn't get someone in time but still want the dress!
