We are holding our annual cover girl contest for this years swimsuit edition of our popular monthly magazine. There are 3 categories of women, 3 rounds and 3 winners. The 3 winners will all be featured on the front cover. This is an excellent opportunity for exposure as many past winners have signed contracts within a few months of being featured.

The 3 categories are by age:

18-29  
 30-39  
 40+

Please include your name, age and at least one picture to be considered. (no nudity please)

You will be notified within 24 hours if you are moving on to the next round of considerations.

Good luck to.
