

Housekeeping (Indy and surrounding)

Location **Indiana**
<https://www.genclassifieds.com/x-730177-z>

Single mom needing extra income. Looking to clean apartments/houses or even small offices. Can do any type of cleaning... get apt clean after move out, clean to get your home ready for a party or clean after the party, or just general cleaning. I am very thorough and detail oriented. Would be very interested in something steady but one time only cleaning in fine as well. Schedule is very flexible so I can fit cleaning into your schedule.
