

PC Laptop Software Hardware Servicing (FLAT RATE HOUSE CALLS) (Cincinnati)

Location **Kentucky**
<https://www.genclassifieds.com/x-730178-z>

I have the experience AND tools to diagnose and solve general software and hardware (not all) problems on PC and laptops. My services are limited to:

- ~Desktop PC building/individual component replacement. Some minor laptop hardware interfacing.
- ~Operating system installation w/ driver installation as well
- ~total virus/malware removal (service would involve giving and installing you the customer worlds best Antivirus software at a severely discounted rate)
- ~ And other miscellaneous software issues.

-I charge \$50/hour+ and \$35 if the job is less than an hour. If multiple days required we can negotiate depending on service situation. This rate includes driving to your location within a 6 mile radius!! Any longer distance-- \$5 extra. Please.
