(I can't keep the guinea pigs because I cannot afford them or give them the attention they need since I will start full time school on January)

These two babies Fubu, (black yellow white) and Balto, (white and gray) have been bonded since the first month they were born and they are extra special pigs with special personalities. Please have knowledge on guinea pigs and get to know them once you do have them they are such a blessing Balto is more loving and cuddly and LOVES attention. Fubu is very smart and loves to explore. They both love to cuddle.

Asking a rehoming fee of \$30 for the babies. Ensuring them a good home is a must. Thank you for reading happy holidays! ???&;
