

# Successful 45yo SWM (MSAL Gulf Coast)

Location **Mississippi**

Athletically-built, attractive (apparently, but I will let you be the judge) 45yo male looking for athletic/ slim woman between 21-29 years of age. I am on the Gulf Coast one to two times monthly and would like to have someone nearby should I require a date for dinner, business/ social evening function, boat excursion, etc. Although this is a NSA agreement, it is NOT a sugar daddy/ escort request. No money or other sort of payment will exchange hands nor will you be directly compensated in any way for your time. What you can expect, however, is an expense-free evening/day/week-end when I am in town including to/from transportation in private car, fine dining, social drinking, concert/ shows, new clothing (dress, gown, summer wear), should you not already own pieces appropriate for the functions to be attended, and a room (for you alone, not shared with me) in the casino hotel of your choice.

What I expect is an intelligent, attractive, drug-free, upbeat woman who has, at the very least, a basic understanding of current events and who is able to express her own ideas in a succinct and confident manner, but also have the ability to read a situation and determine what is or isn't an appropriate subject. Physical intimacy will neither be required nor will it be expected in any way. You will, above all else, be treated like a lady, but a lady you must be. Outside of our arrangement your problems/ social/ romantic life (husband, boyfriend, lover) is of no concern to me and is your businesses alone, however, should you choose to enter into an agreement for a day/ evening/weekend, etc., I expect 100% focus on our arrangement. In other words, I would prefer to avoid the embarrassment should a jealous, significant other burst uninvited onto the scene.

Since we have covered what we both can expect, I would like to touch on the "why"... My profession doesn't afford me the time for a serious relationship and as such doesn't allow me to invest the emotional energy required to make one work. I have, therefore, long since given up entering into a relationship which I cannot give what my partner, any partner for that matter, truly deserves: to feel loved, cherished and above all else that they are the most important thing in the world. These sorts of platonic business arrangements allow me attend functions that without a date would be a bit awkward. My age requirements are a bit more calculated, if not purely strategic. Most of my meetings have to do with client entertainment and mergers & acquisitions, of which both groups predominantly consist of men 15- 20 years my senior. Chatting to a smart, pretty, young lady seems to make them happy and is good for business- and that is what is most important to me.

I am a youngish 45yo male who will be a "classic" looking-the-different way on. I don't do the traditional suits cum. I like classic style with a modern twist. 90% of my wardrobe is in wearing a shirt and they are all business. But you an idea of wearing casual with a summer evening dress or a polo or a dressy a one-piece dress, but I wouldn't expect you to pitch a tent, a party dress, or a gown. I don't care if you have to own the most expensive clothes, but they should fit properly, be in good shape, and above all else-- be appropriate. What you lack, I will fill in the gap.

Please reply by email if you are interested and tell me a little bit about yourself. I will for better or worse, form a bias based on your writing so please be conscientious about what you write and how you write it. Additionally, even though your looks are of secondary importance to your personality, they are, nevertheless, important. Please include a "normal everyday picture of yourself. I am NOT asking for a nude or porn pic) and feel free to blur your features if you like. The pic is not a requirement, but replies with pics will overwhelmingly be given preferential consideration.

Again this IS NOT an escort/ sugar-daddy.
