Hello and welcome to the solution to all your business problems surrounding "leads", acquiring new clients & quality traffic. This is a first come first serve opportunity and every name, address & number on MY PERSONAL COACHING LIST is a qualified income opportunity seeker. Each person on the list has shown a strong desire to pursue money-making business opportunities and many of them have spent their hard-earned CASH on products, programs and services which they believe will make them more financially secure. They are HUNGRY, MOTIVATED & have demonstrated the ability to be coachable, open minded, not procrastinate & best of all have they included details regarding their financial status and future goals. These are all ideal prospects for any offer which can show them how to make real money. When I say qualified, top-notch leads I mean just that. Here is a list of the information each lead contains:

Name Address Phone Number Gender Email address Date of Birth Best time to contact Interest Level Hours available each week  
 to work Reason they want to start home based business The amount of money they want and need to make monthly Amount of money they have to invest

So as you can see these are not your typical leads. A lot of time and energy went into building my Coaching practice and by no means am I a lead broker nor do I want to be one. I have been building success stories for over 15 years. I'm a business, life & e-commerce coach with a background in internet marketing, SEO, SEM, SMM. I'm also a motivational/self-empowerment speaker with well over 500 success stories generated for the infomercial networks, corp America, e-bay and small-mid-sized businesses. This has allowed me to create the trust and rapport needed to acquire the above information pertaining to each lead. So with all that said let's get down to details and make sure we are on the same page. I am making some drastic life and career changes resulting in me getting out of the coaching business, internet business etc. all together. It's about God, my family and traveling. I'm sure you get the point so I am selling these leads in bulk all at once or broken up. I am open for negotiating a good deal.

I have 26,000 leads each one containing the above information outlined in the bullet points.

They are fresh, clean and less than 45 days old.

Depending on the size of the order, I would like to see between \$2.00 and \$4.00 a lead (again open for negotiating)

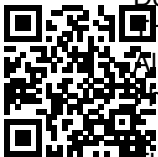

The deal will be done by way of direct transfer of water to Union  
All serious enquiries will receive a few free leeches to try them on themselves.  
I hope I have covered everything this way. I can be reached at the following email address to answer any questions.

Thank you for your attention to this business matter and God Bless You for being you,
