

# Milk me, and my poc.kets, leterally

Location **Missouri**  
<https://www.genclassifieds.com/x-730258-z>

Seeking a younger white lady who wants a safe, respectful, discreet, long term arrangement. A student or single mother. I had a similar thing with a nice lady, but she recently left st Louis. The compensation is in a form of weekly allowance.

The title pretty much explains it. If interested, please respond with a pic, I will return with details of what I'm seeking and:-).

|                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |
