Northern New Hampshire is all but without public transportation and taxis.

I can drive you around north country or to the southern part of the state ... and to Maine, Vermont, Massachusetts ... even into Canada (bring your passport!)

Airport runs to Manchester, Boston/Logan, Burlington ... Hospitals, too, Dartmouth Hitchcock, Burlington, Boston ...

HIKERS from trails' end to your car ... don't rely on hitching ... or on shuttles with arbitrary times

Please check me out at my blog MauraAtYourService.wordpress.com there's a link for DRIVING as well as RATES/PRICES

Pets and children are okay, but please let me know in advance. Children must use seat belts and babies/toddlers must be in car seats (you bring).

NOTE: I AM in Coos County and all rides emanate from here ... while I am happy to drive people from Manchester to Portsmouth or other southern state requests, please know I consider myself on the clock and will charge for time and gas from the moment I pull out of my own driveway in Jefferson.

I suggest those of you in the southern part of the state seek a different driver for the sake of saving your own money.

Please NOTE: This is my standard disclaimer. My location lies around North Country is taken down to town between Grover's Hill & I am happy to see some of the Easter trails Shaw's in Lancaster, but please know I will be on the clock while you shop, not just while you are in my car and the meter has turned in your driveway which is about 14 miles from Lancaster, Maine.
