I am selling my beautiful queen size bed with the Therapeutic Eco Gel Mattress. They are in a great shape and the mattress I bought it 3 months ago. Why I am I selling because I want to buy a king size bed with a new mattress because me and my husband and our kid not fitting at nights. Especially there is not enough space for mommy. Also soon I am planning on having a second kid I am sure we won't fit there at all. Therefore, I am selling this bed. The brand is Global and its white. Very beautiful and it is my favorite bed of all. There is one picture I put it from online the picture of my bed if you see it has a draw on the bottom but mine doesn't have it and it came without it. I hope you take care of it well :). If you are interested please text or email me any time. I also take some offers but not too low because I am selling in a great shape and the mattress and the bed couple months old. If you want us to deliver them we will charge extra depends on the distance of the location. Thank you ! :)
