In the Spring, Summer and Fall Kleen Seal, LLC ( [www.kleenseal.com](http://www.kleenseal.com) ) is a residential driveway sealing service with over 15,000 current or past clients in Middlesex, Union, and Somerset Counties NJ.

By Winter, we transform into a full service snow removal company serving a much smaller area. This smaller area does not even cover 10% of where our Summer customers are. This is where we need your help. When it snows, our phone pretty much bursts into flames and can't do all of the work... So. we need several RELIABLE people with their own snow blower and vehicle (any kind as long as you can move the snow blower around) to do some driveways and sidewalks for us. They will be in your area.

So do you have a snow blower and want to make money when it snows?  
 And are you available EVERY TIME IT SNOWS from Dec. 1st to March 31?  
 You MUST BE RELIABLE as well....  
 if the answer above is YES!, then read on....

And the PAY.... most locations, 1000-1500 square feet, you will get about \$30-\$45 per location, so depending on how fast you move you could probably do 1-2 per hour.

Here's what you'll need...

\*\*\*\*You will NEED a your own SNOW BLOWER and a SNOW SHOVEL

\*\*\*\*You will NEED a your own VEHICLE to move it around... (And obviously a DRIVERS LICENSE)

\*\*\*\*You will NEED a your own SMART PHONE (with Camera, GPS, Texting plan)

It works like this... When it snows we will email you with the location and the amount of snow to be removed. You will then call us to confirm the location and the amount of snow to be removed. We will dispatch (Text) you to a location (a house) and a \$ amount to do the job (around \$30-\$45). You will then accept (or decline) the job... You will then drive there, see it and accept (or decline) the job (Accept - do the job Decline - given another job). You will then snap a before picture and text it to us. You will then snow blow or shovel the driveway and walks. You will then snap an after picture and text it to us.
