Piano Lessons or Organ Lessons - West End Location - St. Bartholomew's Episcopal Church

Hello,

I'm Wayne Hare and I am the Music Director at St. Bart's. I now have openings for piano students - both young and old - on Tuesday - Thursday afternoons/early evenings at the church. 1/2 hour lessons are \$25.00.

I use a comprehensive approach to teaching not only keyboard skills but music theory, composition and improvisation to students of all ages. We have a small pipe organ as well as several pianos and keyboards for use during lessons.

The church is located at 10627 Patterson Ave. Richmond, VA 23238
