

GARMIN GPSMAP 62stc (300 USD)

Location Wyoming  
<https://www.genclassifieds.com/x-730454-z>

GARMIN GPSMAP 62stc in Box, NEVER USED. Basically new GPS. I opened the box but never used it. This has a built-in 5 megapixel camera and detailed U.S. topographical maps. It includes rechargeable batteries and charger. I have another GPS and just never got around to using this one. Looking for a good home with someone who can use.
