

Ladies Why Is This Post Different Than Other CL TALENT Posts (Sugarhouse)

People who place advertisements in the "Talent" category of Craigslist are generally interested in only one thing: exploiting a woman's physical beauty for their profit.

They have many different means and approaches for this. This post is different for this reason:
I DO NOT EXPLOIT ANYONE...including women. I work in partnership with others to create a mutually beneficial, productive and professional relationship.

Yes, I am looking for attractive women. Yes, you will make a LOT of money. Here is what won't happen:

- You won't be having sex.
- You won't be taking your clothes off.
- AND...most of all,
- You won't be exploited or taken advantage of in ANY way.

The work is in Salt Lake. This post is REAL. I AM NOT LOOKING FOR MODELS. MODELS, DO NOT CONTACT. If you'd like further information send a clear, full figure photo (with clothing please) and your phone number. I will respond to all inquiries. Thank.
