

Small Block Chevy Torker II Intake (100 USD)

Location

South Dakota

<https://www.genclassifieds.com/x-730508-z>

Torker II intake manifold. Great shape. New thermostat housing. I ordered it and realized I wanted to go a different route. I can send pictures upon request. Open to offers or trades. Text or call works the best to contact me. I dont look at my email every day so it may take me awhile to reply. I make it to Sioux Falls often. Willing to travel a little to meet.
